

REMARKS

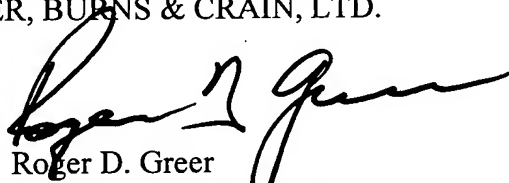

Applicants respectfully request that these amendments to the specification be considered with the examination of this application.

Applicants submit the attached drawings which are corrections that have been made to FIGS. 17, 18 and 19. The changes are fully supported by the specification and other component views of the embodiment shown in FIGS. 16-22. These revisions remove obvious inconsistencies that were present in the original drawings. No new matter is being added by these drawing amendments. If the examiner believes issues are raised that requires discussion, please telephone the undersigned at the examiner's convenience.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
